Beige Beach Robust Sand

The **Olympus lounge** is characterised by its organic design, with rounded profiles and cushions that mirror the natural curves of the frame. A refined backrest finished with RuCore+ rope adds a stylish detail while keeping the set easy to care for.

- The frame is made from aluminium with RuCore+ rope in the backrest – durable, weather-resistant materials that require little upkeep.
- The textilene seat, together with the soft feel of RuCore+ rope, delivers supportive comfort for relaxed outdoor living.
- A distinctive lounge with organic contours and warm detailing, perfect for those who want a statement design that combines comfort with low maintenance.
